Bear Pat:

Thank you for contacting our office regarding your concerns about the care your mother is receiving. Congressman Moore is always interested in knowing the concerns of Third District Kansans. It is only through the efforts of concerned Kansans that he can become fully aware of the diverse spectrum of views and needs held by residents of the Third District.

Unfortunately, due to the separation of the legislative and judicial branches of government, members of Congress cannot intervene in matters which are involved in criminal and civil legal cases. Additionally, the issues that concerned your mother fall under state jurisdiction. I have enclosed a handout with a number of telephone numbers that maybe of benefit to you. As I stated to you on the telephone, I encourage to you file a complaint to State of Florida.

Again, thank you for sharing your concerns with Congressman Moore.

Very truly yours,

Becky Fast

Constituent Services Director
