Dear Mr. Stammer:

Enclosed you will find a letter that I sent to Ms. Ann Ridings, Director of Lutheran Services, Sarasota.

I am asking that your department look into this matter as I feel a grave injustice is being done to all parties involved in this situation, especially to my mother who is not in good physical condition and time is of the essence.

I find it unconscionable that she should be treated in this manner. And I also feel that Lutheran Services has not acted in good faith in this situation.

Please feel free to contact me should you have further questions.

Sincerely,

Pat Benabe
